

## **LOOKING FOR A FAMILY FOR THE NEW SERIES OF “THE FAMILY”**

**Do you have a loving, busy household where never having a dull moment  
also means never having a moment's peace?**

**Perhaps your family run a business together?**

**Is 2010 going to be a year to remember for your family?**

**Perhaps you know of a family who would be interested in taking part?**

As with the recent series we're looking for a vibrant, fun loving family with a sense of determination to overcome life's ups and downs.

We want to be there for the important milestones in the family's life; birthdays, weddings or a challenge the family will be facing together. We also want to explore the ordinary things that are part of family life.

For one family this will be a unique opportunity: to capture an extraordinary two months of their lives on film.

If you think you could be that family, please email [nicola.comber@dragonfly.tv](mailto:nicola.comber@dragonfly.tv) with your telephone number, address, and a brief description of your family or call **0207 033 2290** for more information by the end of May.
