What our members say...

"Somerset Chamber of Commerce hold a number of events which are always informative, well attended and provide great opportunities to network and meet new people from the local business community, this is why I continue to attend the events you organise."

Justin Clark - Cooper Associates

"Through the Somerset Chamber we get much wider exposure to Somerset businesses than we achieve on our own; the Chamber organise and host a fantastic number and range of networking events across the County and year, and these have been invaluable for us. Chamber membership is always recommended by us for businesses operating across the County."

Jon Beake - Wessex Reserve Forces' & Cadets' Association

"Somerset Chamber of Commerce events have become my number one source of new leads. It's a cliché but true: people do business with people. Word of mouth referrals are so much more powerful than faceless advertising or noisy social media. Chamber events give members the opportunity to meet new potential clients face to face, and share quality time with them, often over a lovely meal in a great setting. It's the most cost effective and enjoyable way I've found for growing my business."

Danny Gosling - Thinkography

"Somerset Chamber events have been my "go to events" over many years. I enjoy the variety of attendees I meet at meetings from micro/small to large employers. I have met a large number of my contacts through Chamber events and I am pleased to say that I have built lasting contacts. I find the events team very approachable and their events booking system is very user friendly."

Mandy Bridge - Eloquent Technologies

"We are delighted to be members of The Somerset Chamber of Commerce and I really can't praise them highly enough.

Their commitment and service to their members is excellent. They are supportive, proactive, friendly and they organise diverse and interesting events. I am happy to recommend them wherever I go, in and out of Somerset!"

Lindsey Nutbeen
- Augmentum Business Solutions

"We have seen the size of the Chamber grow from around 80 members to over 500. This clearly demonstrates the Chamber's success in Somerset and shows why we enjoy promoting and supporting the work carried out by a great team."

Julie Grant - Blueloop
